

Odd.—A California paper says:—We have heard of towns in our State called by such names as One Dog Town, Magginsville, Mad Bull Town, Pumpkinsville, Jackass Gulch, Shirt Tail Canon, &c; but of all the execrable names that have come to us from the interior, we back down to 'Ground Hog Glory.' It is the sublime of the ridiculous.

POISONING.

REPORT OF GRAND JURY.

The grand Jury beg leave to make the following Report:—That they have examined the County Buildings, all of which appeared to be sufficient for the County business, with the exception of the Jail, which in the opinion of this Inquest is unsafe for the safe keeping of the prisoners, and unfit for their health and comfort.

We have carefully examined the same and find no way in which it can be altered or repaired to make it a fit place of confinement that it should be taken away and a new building erected on the same lot.

5000 CHALLENGE.

Whatever concerns the happiness and health of a people is at all times of the most valuable importance. I take it for granted that every person will do all in their power, to save the lives of their children, and that every person will endeavor to promote their own health at all sacrifices. I feel it to be my duty to solemnly assure you that worms, according to the opinion of the most celebrated Physicians, are the primary causes of a large majority of diseases to which children and adults are liable; if you have an appetite continually chargeable from one kind of food to another, Bad Breath, Pain in the Stomach, Picking at the Nose, Hardness and Fullness of the Belly, Dry Cough, Slow Fever, Pulse Irregular—remember that all these denote worms, and you should at once apply the remedy:—

Hobensack's Worm Syrup.

An article founded upon Scientific Principles, compounded with purely vegetable substances, being perfectly safe when taken, & can be given to the most tender Infant with decided beneficial effect, where Bowel Complaints and Diarrhoea have made them weak and debilitated. The Tonic properties of my Worm Syrup are such, that it stands with, out an equal in the catalogue of medicines, in giving tone and strength to the Stomach which makes it an infallible remedy for those afflicted with Despesia, the astonishing cures performed by this Syrup after Physicians have failed, is the best evidence of its superior efficacy over all others.

The Tape Worm!

This is the most difficult Worm to destroy of all that infest the human system. It grows to an almost indefinite length, becoming so coiled and fastened in the Intestines and Stomach affecting the health so sadly as to cause St. Vitus Dance, Fits, &c. that those afflicted seldom if ever suspect that it is Tape Worm hastening them to an early grave. In order to destroy this Worm a very energetic treatment must be pursued, it would therefore be proper to take 6 or 8 of my Liver Pills so as to remove all obstructions, that the Worm Syrup may act direct upon the Worm which must be taken in doses of 2 Table spoon's full 3 times a day, these directions followed, have never been known to fail in curing the most obstinate case of Tape Worm.

Hobensack's Liver Pills.

No part of man is more liable to disease than the Liver, it serving as a filter to purify the blood, or giving the proper secretion to the bile; so that any wrong action of the Liver affects the other important parts of the system, and results variously, in Liver Complaint, Jaundice, Dyspepsia, &c.—We should, therefore, watch every symptom that might indicate a wrong action of the Liver. These Pills being composed of Roots and Plants furnished by nature to heal the sick: Namely 1st. An Expectorant, which augments the secretion from the Pulmonary mucus membrane, or promotes the discharge of secreted matter. 2d. An Alterative, which charges in some explicable and insensible manner, the certain morbid action of the system. 3d. A Tonic, which gives tone and strength to the nervous system, renewing health and vigor to all parts of the body. 4th. A Cathartic, which acts in perfect harmony with the other ingredients, and operating on the Bowels, and expelling the whole mass of corrupt and vitiated matter, and purifying the Blood, which destroys disease and restores health.

To Females.

You will find these Pills an invaluable medicine in many complaints to which you are subject. In obstructions either total or partial, they have been found of inestimable benefit, restoring their fractional arrangements to a healthy action, purifying the blood and other fluids so effectually to put to flight all complaints which may arise from female irregularities, as head ache, giddiness, dimness of sight, pain in the side, back, &c.

None genuine unless signed J. N. Hobensack, all others being base imitations. Agents wishing new supplies, and Store Keepers wishing to become Agents must address the Proprietor J. N. Hobensack No 120 N. Second st., Phila., Pa.

What can be got for Five Dollars!!

The undersigned have entered into an arrangement by which they agree to furnish the Knickerbocker Magazine, (monthly,) the Home Journal, (weekly,) and the Musical World and Times, (weekly,) to new subscribers, at the very moderate price of five dollars a year for the three publications; all orders, enclosing that amount to Dyer & Willis, will be promptly attended to.

Grand Literary and Artistic Combination.

Arrangements have been made to furnish the KNICKERBOCKER MAGAZINE, the HOME JOURNAL, and the NEW YORK MUSICAL WORLD AND TIMES, to new subscribers, for five dollars a year! This is cheap literature, with a vengeance. The Knickerbocker is \$3 per annum; the Home Journal, \$2; and the Musical World and Times, \$3; making \$8 a year at the usual rates. That three such works can be obtained for five dollars a year, is a fact truly worthy the Caloric age, which is just now being ushered in. Of the Knickerbocker Magazine, edited by Lewis Gaylord Clark, it is unnecessary to speak. For twenty years it has been the most general, humorous, and spicy "monthly" in the world; and the present volume will be better than any which preceded it. The Home Journal, edited by Geo. P. Morris, and N. P. Willis, is well known as the best family newspaper in America; and the Musical World and Times, edited by Richard Storrs Willis, with Lowell Mason, Geo. H. Curtis, Thomas Hastings, Wm. P. Bradbury, Geo. F. Root, and other musical writers contributing; and which gives, among other things, over \$25 worth of music and a full course of instruction in harmony annually, is the very best musical journal ever published. These three publications will post a family up in regard to nearly everything worth knowing:—Art, Science, Literature; Music, Painting, Sculpture; Inventions; Discoveries; Wit, Humor, Fancy, Sentiment; the Newest Fashions and other attractions for Ladies; Choice New Music for the Sabbath, the Church, and the Fireside; Reviews and Criticisms of Musical Works, Performed and Performances; in short; the very pick and cream of Novelty; Incident, History, Biography, Art, Literature and Science; including whatever can be given in periodicals to promote Healthy Amusement and Solid Instruction in the family, and help to make it Better, Wiser, and happier, may be now obtained for five dollars. Address DYER & WILLIS, 257 Broadway.

Editors publishing the above three times, and sending the papers containing it to Dyer & Willis, will receive the three works named, for one year.
